

## **ENGAGEMENT JANUARY – FEBRUARY 2018**

Inter-Cultural Youth Council Islamabad have chosen four programs, out of Sustain Development Goals (SGDs) 2030 set by United Nations to redress the root causes and basic needs of the people. In this connection, the Youth Council is working for Peace, Environment which is its regular programs. Last year Youth Council touch its health program and our youth donated 85 bloods packs to an NGO working for blood affairs. From January 2018 the Youth Council decided to work in health program also.

A Medical Doctors team of Noman Umer Medical Hospital (working on private sector) G.T. Road Mandra, Tehsil Gujar Khan, District Rawalpindi, were contacted the undersigned, Coordinator Inter-Cultural Youth Council and informed him that they would like to start a medical camp at Village Bhatta but they have no space to start it. Since the undersigned living at Islamabad a capital of Pakistan

and his house at his native Town Bhatta, Tehsil Gujar Khan, is lying vacant and a very huge space is there to make this Medical Camp there. So they were provided this space for Free Medical Camp.

This was the first Free Medical Camp arranged by Youth Council on 7<sup>th</sup> January, 2018. The team comprises of Raja Ramzan, Coordinator, One Male

Specialist Doctor, one Female Doctor, one Nurse and a male dispensary. They have treated more than 55 male and female patients there and provided free medicines to them.

During the course of their treatment the undersigned make a telephone call and ask them if they are ready to continue their program than I will provide a better space and will provide my services if they need. They were agreed to work with the Inter-Cultural Youth Council, Islamabad.

## **VISIT TO SWABI REGARDING PROVISION OF TREE PLANTS FROM PAKISTAN TOBACCO, SWABI NURSARY ON 05-02-2018**

The Coordinator Inter-Cultural Youth Council Islamabad visited on 05-02-2018 to see Mr. Sikandar, Caretaker of Pakistan Tobacco Plants Nursery, Swabi. He has requested the Swabi Nursery to provide 15000 tree plants in this year 2018. They accepted his request and promise to send the different plants in the year 2018.

On 15-02-2018 the Coordinator submitted his application for provision of 30000 plants in the year

2018 to Pakistan Tobacco, Islamabad Nursery. They have accepted his request and after approval they will provide maximum plants to Youth Council for tree plantation in the year 2018.

The Coordinator Youth Council also written letter to Mr. Baitullah Khan, Leaf Department, Pakistan Tobacco, Kunjah, Gujrat to provide 30000 plants for the year 2018 for tree plantation for different areas of Tehsil Gujar Khan earmarked by him.

## **MEETING WITH SYED MAKHDOOM ABBAS SHAH HAMDANI AT PANGHALI SHARIF REGARDING FREE MEDICAL CAMP AND TREE PLANTATION CAMPAIGN**

After seeing great interest of Noman Umer Medical Hospital, I have planned to discuss the matter with Makhdoom Abbas Shah Hamdani, Astana Alia, Panghali Sharif, he is the Chairman of that Astana Alia and a renowned social worker. So I have telephonically approached with him and have arranged a meeting with him on 13-02-2018 at Panghali Sharif. During the course of discussion I have requested him, if you permit the Youth Council Islamabad, it can arrange a Free Medical Camp at Panghali Sharif. He was very happy to hear this proposal and allowed to go a head. I also suggested him that this Free Medical Camp will be organized in

the name of Syed Zia Muhammad Shah Hamdani Free Medical Camp. It was unanimously approved. It was also discussed about the plantation of 50000 plants in the surrounding area of Mazar Sharif of Panghali Sharif. Makhdoom sahib appreciated the idea given by Mr. Ahmad Hussain.

After getting permission from Makhdoom Abbas Shah Hamdani, the undersigned approached Raja Muhammad Ramzan, Chief Organizer of Noman Umer Hospital, G.T. Road Mandra about the Free Medical Camp at Panghali Sharif. He was very happy to hear this news and accepted this program without any hesitation. So I have informed the

program to Makhdoom Abbas Shah Hamdani and decided to make this camp a success.
