

DISCOVERING WHAT WE ARE LEARNING ON OUR URI JOURNEY

"Rio de URI"

Theme - URI is like a river. We are part of its current. "Rio de Uri" has been flowing since 1993 and we can imagine it flowing onward long after we are gone.

"Rio de Uri" is filled with growth, learning, experiences, insights, memories, hard knocks and disappointments, successes and challenges, amazing people, moments that change us.

Being in the flow

Its journey is long, deep and full of life - from being a water droplet held by Bishop Swing in 1993 to finding its fulfillment as an ocean of life nourishing the Earth and all living beings.
