

URI Community Liaison Position Description

Organization Overview

[United Religions Initiative](#) (URI) is a California-based international nonprofit organization founded in 2000 and is the world's largest grassroots interfaith network. The Purpose of URI is threefold: to promote enduring, daily interfaith cooperation, to end religiously motivated violence, and to create cultures of peace, justice and healing for the Earth and all living beings. URI connects grassroots groups and individuals working in support of its Purpose across the globe into a vibrant network. Group members of the network are called Cooperation Circles (CCs). There are currently 1,200 CCs in 113 countries.

URI's global network is divided into eight regions (Africa, Asia, Europe, Latin America & the Caribbean, Middle East & North Africa, Multiregion, North America, and Southeast Asia & the Pacific). The network is supported by a globally dispersed staff. URI is governed by a Global Council of Trustees elected by & from member CCs.

Position Overview

The URI Community Liaison is a vital member of the Regional Team representing Myanmar. She/he works as a movement organizer to enhance growth, focus and impact in Myanmar specifically. She/he will work in alignment with the URI 2030 Strategic Framework and our goals to grow the network and facilitate learning-in-action to prevent violence and heal our Earth community. The URI Community Liaison is responsible for motivating, growing & uplifting the Regional Network in Myanmar and increasing the network vitality of URI through ongoing and effective communications, to accomplish URI's Purpose.

The URI Community Liaison upholds and models the Preamble, Purpose and Principles stated in the URI Charter (see <https://uri.org/what-we-do/charter>). The URI Community Liaison reports to the Director of Membership Growth and Network Vitality.

Key Responsibilities

Facilitate Growth in URI Network Membership and Vitality (50 %)

- Identify opportunities to introduce URI to new people and communities to grow the URI network in Myanmar increasing both the quality of interactions & activity among current CCs, and growing the number of new CCs and Individual Members that join the network.
- Foster the engagement of young people, women, the people who are Indigenous, and other traditionally marginalized populations in Myanmar through participation in local, regional, and cross-regional URI opportunities, including interacting through the URI Connect App.
- Connect CCs and Individual Members within Myanmar and beyond to create a stronger interconnected grassroots movement toward peace, justice and healing. This may include organizing online and in-person gatherings, events, etc.
- As relevant to regional strategic outcomes, help establish and advance key partnerships, including with Universities and student networks, and give visibility to URI in panels and other public events in Myanmar.

Facilitate shared learning and support (30%)

- Engage URI Members with URI's global training offerings in interfaith collaboration, violence prevention and collective healing.
- Encourage the sharing of members' skills and knowledge with each other and their broader community through online and in-person training in coordination with URI's Growth, Learning and Impact Team.
- As relevant for regional and global strategic goals, represent URI in relationships with Non-Profits, Universities, Youth Groups, Government and key Agencies focused on Interfaith Harmony, Violence Prevention, and Collective Healing in Myanmar.
- Develop relationships and identify funding opportunities for URI that align with URI's 2030 Strategic Framework to advance regional programmatic goals and work with the Regional Leadership Team and URI's Development (Fundraising) and Communications Team on proposals and application processes to mobilize Myanmar and other SEAPac Countries.

Administrative and other duties as assigned (20%)

- Maintain good communication with Regional Circle, Trustees and other URI Stakeholders
- Track new contacts and potential partners adding to shared files and database
- Track time sheets, receipts and other data for monitoring and evaluation purposes.
